Strawberry/Raspberry Milkshake

Utensils Needed
blender
Dixie cups

Ingredients Needed
2 scoops vanilla ice cream
500 mL strawberries or raspberries
milk

Directions
1. Place ice cream, strawberries or raspberries in blender. Pour milk up to the second line from the top of the blender. Cover and blend until smooth. Pour into Dixie cups at serving table.

2. DO NOT EAT! We will sample the milkshake with the rest of the class.
